Park Board Rep. report

1. Indoor arena and tractor shed roof completed and six new skylights in indoor
2. Outdoor arena maintenance, park board is in process of replacing outdoor footing.
3. Special meeting starting at 6 pm to discuss use ordinance and user fees.
4. Looking into adding sign to remind forest preserve users to get a proper fee from FPDCC

Tree line jump project is cancelled.

Fence along Batman rd. is cancelled.

Trainer limitation suggestions from this committee is being submitted to Park Board.

Winter calendar is finalized. Winter calendar needs to be posted on park district website.

Indoor arena south facing panels were painted. We discussed replacing east and west fiberglass panels with clear panels. It was suggested to not use clear panels because it would increase the chance of spooking or scaring horses being ridden.

MAG was added to indoor and it continues to keep the arena dust under control.

Hunt house is being used for storage and the meeting room is being used as office space for park board staff. The meeting room kitchen will remain.
