## **Commissioners' Discussion:**

Dennis Kelly informed the Board he will meet with a landscape architect to devise a plan for the swale. Installing rocks at the bottom of the swale will likely be necessary to prevent further erosion. Planting native grasses and plants will also be planned.

The Board will review the Trainers Registration process and application in May.

A tennis backboard has been donated by BATA and will be installed in May with the assistance of Octavio Huerta.

Two Barrington Hills Village Board Commissioners and two local citizens addressed the Park Board voicing their support for waiving the half-price rental fee for the Project Hero full facility rental on August 12, 2018. After much discussion, the Board unanimously voted to charge the \$550.00 fee in order to be fair and consistent with the Park District's rental policy, process and procedures.

Several members of the Fox River Valley Pony Club attended the meeting to discuss the \$15.00 participant fee to be charged to all event participants. The Club was asked to return in May to give the Board their counter-proposal for the implementation of user fees.

The FRVPC was asked to provide the user names for the Tractor Agreement.

Respectfully Submitted, Jessica Underwood
