

Barrington Hills Park District Tennis Courts

Countryside Elementary School, 205 W. County Line Road, Barrington Hills

Barrington Area Tennis Association (BATA) programs are held at the Barrington Hills Park District courts at Countryside Elementary School.

BATA uses the USTA's 10 & Under tennis format for its youth beginner and advanced beginner classes. 10 & Under is tennis sized right for age and ability. The format scales the court down to the child's appropriate size and uses slower bouncing balls to make learning easier and more fun.

A limited number of scholarships are available for BATA programs. Please contact marybeth@barringtontennis.com for scholarship information.
