## **Commissioners' Discussion**

A discussion about revising the current Trainer Rules and Regulations in order to reflect the changing needs and usage of the Riding Center resulted in making changes to the number of lessons allowed and where the lessons are held at specific days and times.

The Advisory Committee's August Report was given by Jeryl Olson.

- The newly painted walk-through door has been completed by Benbury Carstensen
- The response from the AC regarding the hiring of a weekend monitor for the Riding Center was very positive.
- A Commissioner was assigned to attend next month's meeting, Jessica

Underwood.

Changing the days and times for when the Riding Center Monitor works were discussed however, the monitor's work days/times will stand as is for another month.

There was a discussion about the proposed rental on September 26, 2020 of the indoor arena by the Fox River Valley Hound Heritage Foundation. The Board had several questions about safety considerations during the pandemic, and tabled the discussion until Dennis Kelly, who submitted the request, is available to answer questions.

A review of the Fox River Valley Hunt Partnership Agreement will be postponed until next month when Dennis Kelly, who is proposing the agreement, is present.

Respectfully Submitted,  
Jessica Underwood
